INTERNATIONALE GÆSTESPIL

The background is a collage of four distinct cultural performance images. On the left, a Baul musician stands, playing a sarangi and a harmonium. In the center, a person in a vibrant red sari is shown in a dynamic pose. On the right, a person in a yellow robe is depicted in a meditative or dance-like stance. At the bottom, a group of Chhau dancers in black attire are performing with large drums.

DANSK SCENEKUNST

A theatrical performance by Danish Scene Art. The scene is set on a beach at night with a dark, cloudy sky. In the foreground, a man in a red coat and blue cap holds a fire hoop. In the background, a group of performers includes a woman in a green sequined dress holding a fire hoop, a man in a black suit and top hat holding a long pole, and a man in a black suit and top hat playing a yellow electric guitar. A large fire hoop is suspended in the air, and a large fire hoop is on the ground. The performers are surrounded by a large pile of fire sparks.
